MOSTAFA CHERIF MOUAKI ALMABOUADA

Bilingual Customer Support · Remote · Spanish (Spain) · English B2 · Technical background

PROFILE

- Native Spanish speaker (Spain) with hands-on customer-facing experience in high-pressure environments, plus ongoing remote work with international clients in English, French and Spanish.
- Nine months in hospitality: weekends, holidays and peak service — calm communication and fast issue resolution.
 - Fifteen+ remote clients: briefing, follow-up, delivery and written communication across cultures.
 - Technical degree (DAW) and daily use of Google Workspace — comfortable learning SaaS tools and escalating product issues clearly.

EXPERIENCE

Customer service · Hospitality

Córdoba · 9 months · On-site · weekends, holidays and vacation periods

- Front-line service in a high-volume restaurant (300+ guests/day).
- Handled complaints and incidents on the spot; coordinated with kitchen and floor team under time pressure.
- Flexible schedule including nights and peak dates — similar rhythm to entertainment and nightlife operations.

Freelance · Video editing & client relations

2024 – present · Remote · ES · MA · FR · UK

- Fifteen+ accounts: requirements, production, delivery and revisions in writing and calls.
- Reviewed scripts, captions and on-screen text for clarity and accuracy; 5M+ organic views on delivered content.

Freelance · Web support & automation

Jan 2026 – present · Remote

- WordPress and small business sites; explained technical steps to non-technical clients; n8n workflows and REST integrations.

Technical background · web development · ~6 months

Sep 2025 – present · Córdoba / remote

Web development intern · Aicor Soluciones Digitales

Córdoba · Sep – Dec 2025 · Hybrid

- Production WordPress and front-end work; team Git workflow; useful for troubleshooting and bug reports to engineering.

ADDITIONAL

DAW graduation project (full-stack web app). GitHub: github.com/mcherif004 — available for a short call or written test.
